International Roaming Data Plans give you a monthly allowance to use towards session connection fees and data usage on your eligible Telstra Post-Paid mobile or Telstra Mobile Broadband® services in selected countries (“Included Allowance”). A monthly fee is payable for your International Roaming Data Plan(s).

As at February 2012, you can use your Included Allowance in the following countries:

Canada	Greece	Japan	Singapore	South Africa
China	Hong Kong	Malaysia	Slovak Rep	Thailand
Fiji	Hungary	Netherlands	Spain	UK
France	Indonesia	New Zealand	Switzerland	United Arab Emirates
Germany	Italy	Philippines	Taiwan	USA

Any unused Included Allowance will expire at the end of each month.

International Roaming Data Plans will continue on a month-to-month basis until they are cancelled. The plan can be taken-up or cancelled at any time, however if this happens part-way through a billing month, the charge and Included Allowance will be pro-rated according to the dates that the plan was or will be active in that month.

Full details about International Roaming Data Plans are set out in Our Customer Terms.

05 EXCLUSIONS AND EXCESS USAGE CHARGES

Your Included Allowance can't be used towards:

- data usage in destinations not covered by your International Roaming Data Plan;
- data usage in Australia;
- content charges; or
- voice calls, SMS or MMS using International Roaming.

You must pay for such usage in addition to your International Roaming Data Plan charge and other standard charges. International Roaming PAYG data and voice charges are substantially higher than data and voice charges in Australia.

If you connect or use data that is in excess of, or that is not covered by your International Roaming Data Plan, you will be charged for any additional International Roaming data usage at the standard pay as you go (PAYG) rate of \$0.015 per kB (\$15.36 per MB). You will also be charged a 50 cent connection charge for each data session initiated by your device. The PAYG rate and data session connection fee are correct as at February 2012 and may change from time to time. Please refer to telstra.com.au/mobile/internat_roaming/data-plus-packs.htm for the most current rate.
